Retirement Villages)

The TECE 8cm Vertical Flush Pipe is a dedicated piece engineered to be used with the TECE 9.370.057 Cistern, providing the best performance in your bathroom system. The vertical flush pipe provides efficient and guaranteed discharge of water from the cistern to the toilet bowl, offering smooth flushing action. Having an 8cm diameter, it is ideally sized for the cistern, providing a leak-proof and safe connection. With its superior quality materials, TECE 8cm Vertical Flush Pipe is very long-lasting, wear-and-tear-free, corrosion-free and suitable for day or night usage. Easy fit and dependable performance make it an outstanding bargain to go with creating your TECE toilet system as a more dependable and performing machine.
