Retirement Villages)

Guarantee

1 Year Guarantee

The cold brittle bathroom is washed away, leaving behind the round organic design of the Dial range ripe with possibility. The project originated from the outline reproduction of the swiss watch dial to the ceramic field. A simple and elegant line that aims to find the right balance between a circle and a square. The classic shape of the swiss dial is constantly being proposed for the last 100 years without being out of fashion, and it is the guarantee of quality and durability.
